

HAIKUS BY BOTHERED BARISTA

Seventeen cent tip  
two pennies, nickel and dime  
I gave you decaf

Bus your own table  
Your shitty kids and their crumbs  
make my spirit die

You fucking asshole  
I will not bring you refills  
Fuck off you shithead

Outside in the fog  
my favorite crush to me  
Steam and valve open

I can't afford healthcare  
You drink five dollar lattes  
Coffee trickles down
